The NorthEast Transport Connections Project (NTCP) is a community transport initiative funded by the State Government. NTCP provides transport solutions for communities across the five Local Government areas of: Alpine, Indigo, Towong, Wodonga and Wangaratta. NTCP aims to assist the community with transport services to improve access to the community as well as social, health and medical services. These services may include transport options for people without a car, making better use of existing services, taxis, school buses, route buses, community buses and volunteer drivers.

The **Flexi-Trans** website www.flexitrans.org is part of the NTCP information product range, including this transport information booklet. Refer to this web site for links to transport options across the North East region of Victoria.

V/Line and Customer Services

NEWS *Major upgrade and conversion of the line between Seymour and Albury**

In May 2008, the Federal and Victorian governments jointly announced a \$501.3 million upgrade of Victoria's north-east rail corridor between Melbourne and Albury / Wodonga.

As part of the announcement, 300km of track will be transferred to the [Australian Rail Track Corporation \(ARTC\)](#) who will deliver the project.

The ARTC will then take on responsibility for the ongoing operation of the new north-east standard gauge rail line as part of a 45 year lease.

This means V/Line will no longer have responsibility for the maintenance and train control of the Seymour to Wodonga line, but will still operate train services on the line when works are complete.

The [South Improvement Alliance \(SIA\)](#), a group of organisations that have been brought together by the ARTC, will undertake the upgrade works.

The upgrade includes:

- a major upgrade of the 200km of broad gauge between Seymour and Albury – this includes conversion of track from broad gauge to standard gauge and replacement of timber sleepers with concrete ones*
- upgrades to the standard gauge line between Melbourne and Seymour including construction of four new passing loops as well as upgrade works already being undertaken by the ARTC*
- an upgrade to three locos and 15 carriages, which will be refurbished and converted to standard gauge*
- new platforms at Albury, Avenel, Broadmeadows, Chiltern, Euroa, Seymour, Springhurst, and Violet Town stations*
- new stabling, maintenance and washing facilities at Dynon near SCS to be converted for standard gauge locos*
- a new station west of Wodonga (the Wodonga rail bypass project), which will remove 11 level crossings through the centre of Wodonga – This will reduce travel times on the Melbourne to Sydney rail corridor.*

V/Line and Customer Services –cont

Coaches connect with trains

V/Line introduced a temporary timetable from 9 November 2008 which involves the operation of road coaches between Albury / Wodonga and Seymour. Trains connect with coaches running between Seymour and Melbourne in both directions.

A mix of express coaches run between Albury / Wodonga and Seymour, as well as coaches which stop at all stations to serve Chiltern, Springhurst, Wangaratta, Benalla, Violet Town, Euroa and Avenel stations.

The temporary timetable is available from our [timetables](#) page.

In addition to the coach / train service, V/Line customers also have access to 68 seats on CountryLink's XPT train service at V/Line ticket prices. CountyLink trains depart Melbourne at 08:30 and Albury at 15:22, and stop only at Albury, Wangaratta, Benalla and Melbourne.

V/Line's train service will return to normal on completion of the ARTC's works program in 2010.

General information

- *No checked luggage. Due to the mixture of coach and train V/Line cannot offer checked luggage on services during the upgrade works. Customers are advised to pack luggage they can carry easily.*
- *First class seating is not available on coach or train services. Please reserve your ticket to guarantee a seat.*
- *Seating on two daily XPT CountryLink services is available to V/Line ticket holders. Stopping at Albury, Wangaratta and Benalla customers can board the 08:30 service from Melbourne or the 15:22 service from Albury. Reservations are a must.*
- *There is no onboard buffet service, however refreshments are available from Seymour Station.*
- *People travelling with mobility aids (including wheelchairs) are encouraged to call V/Line at least 24 hours in advance to reserve their space. Not all coaches can accommodate wheelchair passengers and alternative travel arrangements may need to be organised by V/Line.*
- *Bicycles are not permitted on board coaches during the works.*
- *Customers needing special assistance please call **136 196** before traveling.*

Melbourne

Free Tickets: All V/Line tickets to and from metropolitan Melbourne now include FREE access to Melbourne's metropolitan trains, trams and buses. Your free travel is determined by the ticket type and code printed on your ticket.

Single tickets include one hour's free travel either side of your V/Line journey.

Day Return, Weekly, Monthly and Date to Date tickets include free metropolitan travel all day.

Luggage Hall Southern Cross Station: The Luggage Hall is under the Bourke Street Bridge between the train station and the coach terminal. V/Line passengers on locomotive hauled long-distance services can directly check their luggage into the Luggage hall. The new Luggage hall is based on the same principle as an airline check-in counter and is a great improvement for V/Line passengers. Hours of Operation 6.30am – 11pm.

Wodonga

Bus fares: The local system for Wodonga bus fares has recently changed. 2 hour fare 90c, full day fare \$1.80 for concession card holders. These fares allow passengers to travel anywhere in Wodonga and to go to and from Dean Street Albury. A separate ticket and fare is charged for travel around Albury. The 2 hour ticket is timed from when the ticket is purchased until when they commence their last bus trip.
